

Sports Funding Statement for 2018 – 2019: ongoing 2019 - 2020

We received an extra £16,586 from the Government in the financial year 2018 - 2019 to promote physical education and sport in school. We will receive £19420 in the financial year 2019 - 2020. This is for Year 1 – Year 6 and we give our Reception children educated at Comper School a pro rata amount. They will write their own sports funding statement.

We planned the use of this money to further extend provision within the four aims of the PE curriculum to ensure that all children:

- Develop competence to excel in a broad range of physical activities including a range of after school clubs;
- Are physically active for sustained periods of time;
- Engage in competitive sports and activities;
- Lead healthy, active lives.

At St Mary and St John we used this money in a variety of ways. We are lucky to have a strong and committed PE Coordinator, Jackie Pinches, who understands her role in raising the profile of sports and healthy living. We have embedded some of the provision outlined below into our budget planning with the aim of sustainability in future years.

Objective	Action	Funding	Impact	Sustainability
To encourage active learning outdoors using the local environment	To use an outdoor learning specialist to give every KS2 class a four week block of outdoor learning	£4840	Children experience risk taking, develop team building and social skills, problem solve and develop cross curricular links.	Until 2020 using Sports Premium, curriculum development budget from 2020.
To use a partnership specialist to support provision	To use a secondary PE teacher to deliver exemplary PE lessons to upskill staff and raise the profile of PE	£1250	Children have enhanced PE input with high engagement and skills progression	Staff have improved capacity and capability in delivering PE lessons
For every year 5 and 6 child to be encouraged to attend an outdoor education residential trip	To use the Oxfordshire Outdoor Education Centres for annual trips and ensure a challenging programme is offered	£1000	Many children exposed to a totally unfamiliar and challenging environment with a physically demanding programme which stretches all abilities but gives everyone a chance to succeed	Until 2020 and use other income streams e.g. Pupil Premium Grant, PTA funding, one off grants

Objective	Action	Funding	Impact	Sustainability
To give children a block of specialist coaching	Sports coaches to work alongside teachers to teach a block of lessons on a specific sport e.g. cricket (Chance to Shine)	£0 – charity for cricket £1000 – other coaches	Children to gain skills in a range of competitive sports	As above
To make sure PE is well resourced with modern equipment and further improve the outdoor playground equipment to develop the physical skills of agility, balance and coordination at playtimes	To audit current resources and replace with good quality equipment for specific activities e.g. athletics To use pupil feedback to improve playground provision	£600	The quality of PE and Sport is enhanced by high quality resources Good range of outdoor equipment For physical activities	Regular audits by PE Coordinator – staff feedback and wish list considered
To make all sports provision inclusive	To ensure all out of school sports activities are adapted to be fully inclusive through careful planning	£500	All children have a wide experience of physical activities	Ensure all staff are fully aware of inclusive practice and equal opportunities are at the heart of everything
To promote girls involvement in football	To set up a girls' football club with weekly practices	£625	Girls' football has a high profile and girls are involved in competitive sport with high levels of enthusiasm	To encourage staff to lead girls' football so this becomes embedded in school culture

Objective	Action	Funding	Impact	Sustainability
To encourage younger children to learn to swim	Every year 2 to have a block of 6 swimming lessons in the Summer Term NB To have clear records on all Y6: who can swim 25m confidently, competently and proficiently; use a range of strokes effectively, perform safe self-rescue in water based situations	£128	Children develop water confidence and life safety skills at a young age NB Current year 6 go swimming in Autumn 2019 so initial data collected by Jan 2020, put on website and update again in July 2020 after booster lessons for weaker swimmers	Until 2020 and then curriculum money as governors are highly supportive of 'Every Child a Swimmer'
To encourage safe cycling	To run the Oxfordshire Cycle Safety Scheme for Year 6 children	No cost	Children know about safe cycling by the end of primary school	Ongoing but dependent on parent volunteers
To extend the number of after school sports clubs	To explore new ideas for after school clubs e.g. basketball running form Sept 2019	£360	Children get the chance to try out new sports after school	Ongoing
To improve the all-weather outdoor play surface	To tarmac all hard standing areas and mark up sports pitches and active play areas with a range of activities e.g. hopscotch and 100 square	£8000	To enhance opportunities for children to engage in moderate intensity physical activities e.g. hopping and skipping	Ongoing
