St Mary & St John CE Primary School

Headteacher: Elizabeth Burton

18.06.20

Dear Children,

I wrote to the adults in your families who look after you yesterday with some good news about more children coming back to school from next Monday. All the people who work at our school had a big chat about how much we missed you. We worked together on a plan so that children in Years 2,3,4 and 5 can come into school for a whole day every week and be in small groups which we call bubbles (quite friendly!). It was quite tricky, but we solved the problem in the end ! We can give everyone a place to work and play so that germs don't spread, and everyone stays safe.

It will feel a bit strange coming back after such a long time – 13 weeks! We understand that you may be a bit worried so we will take the day with you very gently. We will be here to welcome you when you arrive and we think you will quickly get used to being in our school again. We've had some painting done so the school is looking lovely. There is some of your artwork still up on the walls which reminds us how creative you are.

Your teachers will tell you about everything when you arrive, so you really do not need to do anything except come along on your day. Some of you may have something going on in your body (a medical thing) which makes it safer to stay away for a bit longer. We are still thinking about you and your home learning will carry on.

We are so so looking forward to seeing some of you again. Your teachers tell me about you all the time, so we feel you've still been with us even though we haven't seen some of you.

And here's a smiley face before the real smiles next week!

With lots of love from
Mrs Burton
