

How to log on

1. Go to <https://web.seesaw.me/>
2. Click on 'login in' in the top left corner
3. Click 'I am a student'
4. Enter your unique text code and click go (you do not need to fill in an email address or have scan code)

How to access the learning that has been set by your teacher

1. Click on the 'activities' tab
2. The learning that has been set will appear on the left hand side of the screen
3. Click on the title of the work
4. Listen, watch or read the instructions
5. Click 'add response'
6. Use the Seesaw tools to complete the work
7. Click on the green tick on the top right hand side when you are finished
8. Your work will then be available for your teacher to see and give you some feedback

You may choose to complete your work in an exercise book and then take a photograph of it. You can then send the photograph of your work to your teacher by using the upload function. This is particularly straight forward if you choose to use the Seesaw app on a mobile phone.

How to read an announcement from your teacher

1. Click 'inbox' on the right hand side of the screen
2. Any announcements sent by your teacher will be available on the left hand side of the screen
