

Dear Parents and Carers,

Thank you for helping your children to have such a smooth start to the year. We had a great term and the children thoroughly enjoyed learning all about the Romans.

Please find attached this term's curriculum map. Our story for this term is 'Akimbo and the Elephants' by Alexander McCall Smith, which explores the controversial topic of poaching and the ivory trade, which links to our topic of conservation.

Spellings and Mathletics tasks will be the focus for homework term 2. Please help your child to learn their spellings and have access to Mathletics, which will go out on a Tuesday. Homework books need to be returned to school every Monday.

PE will continue to be on a Tuesday and a Friday.

Kind Regards

Year 4 Team
