

St Mary & St John CE Primary School

Headteacher: Elizabeth Burton

22.01.21

Dear Children,

You are at the end of the third week of home learning. Mr Chamier-Williams and I have been looking at all your work this week and you have been doing very well. Most of you are using Seesaw to do your learning and uploading lots of work every day. We are so pleased with you and have chatted to all your teachers about how you are getting on.

We know this way of learning is so very different to coming to school and being in class. It can be difficult and very tiring to spend a lot of time looking at a screen. Please make sure you give yourself breaks and some fresh air, even in the horrid weather!! Please keep your bodies moving too even though many of your normal activities are not happening.

Here is a bit of news from me. I will be leaving our lovely school at the end of the Summer Term. I love being the headteacher at St Mary and St John as I have the joy of you and your families every day. I even know what's happening in lockdown as you are very good at keeping in touch and we talk about you all the time. Everyone needs to choose the right time to move on and say goodbye; I think this is mine. I am here, however, until the end of August which is quite a long time off! I am so looking forward to us being together again and buzzing as a whole school during the Spring and Summer.

We will have lots of fun, I promise, and we'll try and make every day special. The picture below is on my office wall from this year's calendar. It is a colourful mosaic of our school logo, the eagle and lily (done by Silver Birch class). It reminds me of how creative you are and it's for the month of May when I hope we'll all be in school again.

Lots of love from Mrs Burton xxxxxx
