

Year 1 Term 5

Vocabulary

Story: Awongalema

Please note, these are words we hope your child will learn to understand and use in *speech* this term.

It is for your information so that you can support your child to develop their vocabulary.

Please do not feel that your child must be able to read and write these words by the end of term.

Literacy	Numeracy	Science	Geography and History/Topic

An African Adventure

English

Phonics: Continue learning and reviewing sounds from phases 2-5 in mixed phonics groups.

We will be creating information texts linked to our topic. We will continue to explore creative language and using ambitious vocabulary in our writing. We will continue to practise our handwriting and letter formation.

Maths

We will revisit topics such as place value, fractions and word problems. Children will learn to read or listen to a word problem and decide what question is being asked.

We will recap a range of skills such as addition, subtraction, multiplication, division, and measures.

Science

We will be learning about the weather in each season and compare this to East African weather and climate, linking to the dry and wet seasons.

We will also revise animals and habitats.

Music

Take part in singing and following melodies. Imitate changes in pitch.

We will also learn some more songs in sign language.

PE

We will be looking at 'games' including throwing and catching. Over arm and under arm throws.

Computing

Digital Art and African patterns

Languages

Basic greetings

RE

Why is Ramadan important to Muslim children?

We will be learning about Ramadan and Eid this term.

Awongalema

Art & Design

This term our cross-curricular art work is inspired by the setting of our story. We will design our own animal stamps and create animal printed pictures.

Our artwork will be based around our story Awongalema.

History/Geography

We will begin to learn about the continents, and the climates in different parts of the world, specifically looking at the difference between Africa and Europe.

PSHE

In PSHE our topic is based around 'relationships'. We will explore transitions that happen in our lives and what makes a good friend. We will also learn about different ways in which friendship can be shown and how to manage feelings and difficulties in friendships.
