

St Mary & St John CE Primary School

Headteacher: Elizabeth Burton

4.03.21

Dear Children,

This is to say that we are so so looking forward to everyone coming back to school on Monday 8 March. It seems such a long time since we were all at school together. You have kept going with your home learning and we've enjoyed looking at your work. We know this has been hard going at times so a big well done to everyone!

We've had such a difficult time with the pandemic. We hope you and your families are safe and well. We are going to be very careful at school when you come back to make sure we keep you safe. The good news is that you are returning to school when the weather is getting better so we hope to use our excellent outdoor spaces when we can. We will also make sure there is plenty of fresh air in the classrooms. And we'll wash our hands lots!

We understand that you may have lots of different feelings about returning to school. It may be a mixture of excitement and worry. This is understandable and it is best to just take one day at a time to start with. We will be on the gates to welcome you on Monday 8 March and you will all be going into your normal classrooms.

We want you to have lots of fun when you come back and the World Book Day planned for Thursday 11 March will be a fun thing in the first week. You can dress up if you choose to. Your teachers and teaching assistants are busy getting your classrooms ready for you and putting up some new displays. The school is all clean and tidy too!

Once you return, we have 3 weeks and 3 days before the Easter holiday which is just a nice length of time for you to get used to our school routines again.

.....for coping so well with the last few weeks. See you on Monday!
Lots of love from Mrs Burton xxxxxx
