## *SPREAD THE JOY*

Count your blessings one by one,
Cherish every gift in turn.
Celebrate, illuminate
And raise your voices high.
Ring the bells so all can tell
The new-born King's arrived.

Christmas is here
Christmas is here
Time to spread the news about a boy.
It's time to spread the joy.
It's time to spread the,
Time to spread the joy.
It's time to spread the,
Time to spread the joy.

Come together one and all,
There is room for everyone.
Keep the door wide open
For your neighbours, for your friends.
If you share and show you care
The party never ends.

Christmas is here
Christmas is here
Time to spread the news about a boy.
It's time to spread the joy.
It's time to spread the,
Time to spread the joy.
It's time to spread the,
Time to spread the joy.
It's time to spread the joy.
