- The Yanomami Tribe is one of the largest tribal groups in the Amazon with around 38,000 still living in the rainforest in 2020. Follow this link to find out more about what it was like to live as part of a rainforest tribe: <https://www.youtube.com/watch?v=eoxYctvIUdM>. Feel free to research some more about them and then write a letter that you would send to a child your age in the Yanomami tribe. What questions would you ask them? What would you tell them about yourself?
- Take inspiration from the Artist Henri Rousseau's painting 'Surprise' and re-create your own art based on the Rainforest. You could use paints, crayons or other artistic materials.
