PE & Sport Premium Funding Statement for 2021-22

We received £19,477 from the Government in the financial year 2021-2022 to promote physical education and sport in school. PE & Sport Premium funding is for children from Year 1 – Year 6, but because Comper children (Reception) do not receive the benefit of daily shared access to our facilities, we try to share the benefit through a financial contribution.

We plan the use of this money to further extend provision within the four aims of the PE curriculum to ensure that all children:

- Develop competence to excel in a broad range of physical activities including a range of after school clubs;
- Are physically active for sustained periods of time;
- Engage in competitive sports and activities;
- Lead healthy, active lives.

At St Mary and St John, we use this money in a variety of ways. We are lucky to have a strong and committed staff team, who understand their role in raising the profile of sports and healthy living. We have embedded some of the provision outlined below into our budget planning with the aim of sustainability in future years.

Objective	Action	Funding	Impact	Sustainability
To encourage active learning outdoors using the local environment	To use an outdoor learning specialist to give every class a four-week block of outdoor learning.	£5000	Children enjoy active time outdoors, experience risk taking, develop team building and social skills, problem solve and develop cross curricular links.	Ongoing
To use a PE specialist to support provision	To use a secondary PE teacher to deliver exemplary PE lessons to Years 3–6 to upskill staff and raise the profile of PE	£6000	Children have enhanced PE input with high engagement and skills progression.	Staff have improved capacity and capability in delivering PE lessons
To enhance sporting opportunities outside school for all age groups	To pay for a partnership sports specialist to organise events and sports festivals	£1250	Children to experience a range of sports in a secondary school setting and compete in a friendly manner against neighbouring schools.	Programme affected by the pandemic
To make sure PE is well resourced with modern equipment and further improve the outdoor playground equipment to develop the physical skills of agility, balance and coordination at playtimes	To audit current resources and replace with good quality equipment for specific activities (e.g. athletics) To use pupil feedback to improve playground provision	£800	The quality of PE and sport is enhanced by high quality resources. Good range of outdoor equipment for physical activities.	Regular audits by PE Coordinator – staff feedback and wish list considered

To make all sports provision inclusive	To ensure all school sports activities are adapted to be fully inclusive through careful planning	No cost	All children have a wide experience of physical activities.	Ensure all staff are fully aware of inclusive practice and equal opportunities are at the heart of everything
To promote girls' involvement in football	To set up a girls' football club with weekly practices	No cost	Girls' football has a high profile and girls are involved in competitive sport with high levels of enthusiasm.	To encourage staff to lead girls' football so this becomes embedded in school culture
To encourage younger children to learn to swim	Every Year 2 child to have a block of 6 swimming lessons in the Summer Term NB To have clear records on all Year 6 children: who can swim 25m confidently, competently and proficiently; use a range of strokes effectively; perform safe self-rescue in water-based situations	£150	Children develop water confidence and life safety skills at a young age.	Until 2021 and then curriculum money as governors are highly supportive of 'Every Child a Swimmer'
To support Comper Foundation Stage School in their active learning	Financial support so that each child has access to quality outdoor learning	£2800	Reception year children enjoy active time outdoors, experience risk taking, develop team building and social skills, problem solve and develop cross curricular links.	Ongoing
To encourage safe cycling	To run the Oxfordshire Cycle Safety Scheme for Year 6 children – 3 groups	No cost	Children know about safe cycling by the end of primary school.	Ongoing but dependent on parent volunteers
To extend the number of after school sports clubs	To continue to offer a range of sports after school clubs	No cost	Children get the chance to try out new sports after school.	Ongoing
To provide a variety of playtime sports options	Employ a sports coach for one hour every lunch time to provide sports activities	£3,800	Children benefit from a more varied playtime experience; access to a broad range of sports and games; increased physical activity in the school day; increased adult support and encouragement (organising games, refereeing, etc.); extra support for children who find it hard to regulate their behaviour in unstructured time.	Ongoing
