PE & Sport Premium Funding Statement for 2022-2023

We are due to receive £19,344 from the Government in the financial year 2022 -2023 to promote physical education and sport in school. PE & Sport Premium funding is for children from Year 1 – Year 6, but because Comper children (Reception) do not receive the benefit of daily shared access to our facilities, we try to share the benefit through a financial contribution.

We plan the use of this money to further extend provision within the four aims of the PE curriculum to ensure that all children:

- Develop competence to excel in a broad range of physical activities including a range of after school clubs;
- Are physically active for sustained periods of time;
- Engage in competitive sports and activities;
- Lead healthy, active lives.

At St Mary and St John, we use this money in a variety of ways. We are lucky to have a strong and committed staff team, who understand their role in raising the profile of sports and healthy living. We have embedded some of the provision outlined below into our budget planning with the aim of sustainability in future years.

Objective	Action	Funding	Impact	Sustainability
To provide a variety of lunch time PE and sports options	Employ a sports coach for one hour at lunch time to provide sports activities	£7,000	Children benefit from a more varied playtime experience; access to a broad range of sports and games; increased physical activity in the school day; increased adult support and encouragement (organising games, refereeing, etc.); extra support for children who find it hard to regulate their behaviour in unstructured time.	Ongoing
To support Comper Foundation Stage School in their active learning	Financial support so that each child has access to quality outdoor learning	£3,100	Reception year children enjoy active time outdoors, experience risk taking, develop team building and social skills, problem solve and develop cross curricular links.	Ongoing
To run various workshops in school and get external coaches in		£3,500	To offer external opportunities for children to engage with something exciting and new.	Ongoing
To encourage active learning outdoors using the local environment	To use an outdoor learning specialist to give every class a four-week block of outdoor learning.	£4,500	Children enjoy active time outdoors, experience risk taking, develop team building and social skills, problem solve and develop cross curricular links.	Ongoing

To enhance sporting opportunities outside school for all age groups	To pay for a partnership sports specialist to organise events and sports festivals	£1,250	Children to experience a range of sports in a secondary school setting and compete in a friendly manner against neighbouring schools.	Ongoing
To make all sports provision inclusive	To ensure all school sports activities are adapted to be fully inclusive through careful planning	No cost	All children have a wide experience of physical activities.	Ensure all staff are fully aware of inclusive practice and equal opportunities are at the heart of everything
To promote girls' involvement in football	To set up a girls' football club with weekly practices	No cost	Girls' football has a high profile and girls are involved in competitive sport with high levels of enthusiasm.	To encourage staff to lead girls' football so this becomes embedded in school culture
To encourage safe cycling	To run the Oxfordshire Cycle Safety Scheme for Year 6 children – 3 groups	No cost	Children know about safe cycling by the end of primary school.	Ongoing but dependent on parent volunteers
To extend the number of after school sports clubs	To continue to offer a range of sports after school clubs	No cost	Children get the chance to try out new sports after school.	Ongoing
