1 Corinthians 16:14'

St Mary and St John CE Primary School Travel Plan

Active Travel Statement

St Mary and St John CE Primary School is committed to ensuring that the children understand the importance of leading a healthy lifestyle. One aspect of this is the importance of exercise and fresh air. This travel plan sets out the aims and actions that the school would like to achieve in the next year. These aims include encouraging more children to come to school walking, cycling or scooting rather than using their car as well as working with Oxfordshire County Council to create a School Streets area.

Where are we now?

The road outside of the school is dangerous for a variety of reasons: -

- The high volume of traffic due to children coming to school by car.
- Cars parking on double yellow lines creating a hazard when crossing the road.
- Children getting out of cars into the middle of the road as parents drop them off.
- Cars doing 3 point turns outside school when children are arriving and leaving the site.

What do we want to change?

- We want to have a road closure at the start and the end of the day.
- More children to walk / cycle / scoot to school to make the road safer and the air cleaner.

Our Targets

- To set up a School Streets project
- To have a Walking Bus from each end of Meadow Lane (Jackdaw Lane and Donnington Bridge)

What can we do to reach our targets?

- Create a road travel group to initiate and support the Road Closure and setting up Walking Buses.
- Work with OCC to begin the School Streets scheme.
- Collect data to strengthen our case re. traffic and pollution levels.

Action Plan

Action	When	Who	Resources	Success Measures	Impact
Register interest with OCC	Sept 2022	EK	OCC funding School Streets	Plans in place for School Streets.	Interest registered.
Collect data for % of pupils using car to come to school	Nov 2022	EA/Junior Leadership Team	Time	Data to show how pupils are coming to school.	Data collected by JLT and added to moodle by EA.
Add all required information to moodlestar	Nov 2022 – Feb 2023	CR/EA	Time	All information required to join school streets scheme added.	
Set up road travel group	April 2023	CR/EA	Time	Planning group in place.	
Collect data about Pollution levels.	2023		Time / support from Oxford City Council	Pollution data.	

February 2023
