PE & Sport Premium Provisional Funding Impact Review for 2025-2026

We received **£17,739** from the Government in the financial year 2025 -2026 to promote physical education and sport in school.

We used this money to further extend provision within the four aims of the PE curriculum to ensure that all children:

- Develop competence to excel in a broad range of physical activities including a range of after school clubs;
- Are physically active for sustained periods of time;
- Engage in competitive sports and activities;
- Lead healthy, active lives.

At St Mary and St John, we use this money in a variety of ways. We are lucky to have a strong and committed staff team, who understand their role in raising the profile of sports and healthy living. We embedded some of the provisions outlined below into our budget planning with the aim of sustainability in future years.

Objective	Action	Funding	Impact	Sustainability
To encourage active learning outdoors using the local environment	Use of a trained Forest School and outdoor learning staff member to give every class a block of outdoor learning, including Forest School in EY – includes some resources	£4,750 (Outdoor Learning Y1-6) £12,200 (Forest School EY/YR) £1,000 resources	Children in all year groups have enjoyed active time outdoors, experiencing risk taking, developing team building and social skills, problem solving and developing cross curricular links. OPAL has had a significant impact in increasing productivity and meaningful play outside during lunchtimes.	Ongoing
To enhance sporting opportunities with a link to the University of Oxford	To begin working with Volunteer Students from Oxford University to offer Athletics Taster Sessions	£900	Children experienced a range of Athletics opportunities at our local track.
